# DEDICATION

## THIS SUPPLEMENT IS DEDICATED

... to all the faithful and diligent members of the staff who came through when the pressure was on—which was usually always. Thank you: Eric, Rose, Carol, Andrea, John, Linda, Chip, Michael, Diane, Bill, Joyce, Bob (Giff), Carole, Cindy, Dodi, Maureen, Mary Beth, Alan, Mary and typists.

... and to all of next year's staff. May you have a staff as good as this year's to get you through the trials of putting together a yearbook—lost pictures, staff dissent, Monday deadlines and the inevitable complaints. May you survive the coming year with your mental health. Good luck Maribeth and Claire—you're sure going to need it.

1. Our sincerest apologies go to school committee member Richard D. Gill who's name was mistakenly omitted from the committee caption.
2. Sorry for the mixup Miss Kiernan and Ms. Huntley— it was purely unintentional.
3. We goofed Joe Frazier Jr. and Judy Olivolo— sorry
4. It didn't say in the yearbook but I think we all know the Hockey team was Conference Champs. Congratulations on a job well done!
5. Apologies to anyone and everyone whose name was misspelled. Proofreading 184 pages isn't easy!

## SPECIAL THANKS

Thank you Mr. Diane Poulos for all your support and guidance, for your understanding, for listening to all our problems, for resolving arguments, for never complaining about all the frantic late-night phone calls, and for restoring order where mayhem once existed. But most of all thanks for being a true friend through all the good and the bad times. Though we move on to new experiences in the coming year, this past year holds memories that are forever. With love and affection . . .

## BACK COVER OF SUPPLEMENT

How beautiful is youth! how bright it gleams  
With its illusions, aspirations, dreams!  
Book of Beginnings, Story without End,  
Each maid a heroine, and each man a friend! . . .  
All possibilities are in its hands,  
No danger daunts it, and no foe withstands;  
In its sublime audacity of faith,  
"Be thou removed!" it to the mountain saith,  
And with ambitious feet, secure and proud,  
Ascends the ladder leaning on a cloud!

"Notes away, books a-closed, eyes down a-nose-yours, neat in the seat, square in the chair, tall in the saddle like The Big Duke" are words that echo from room #204 and reverberate throughout the lives of Winthrop High graduates. Our own "Big Duke", Mr. Edwin E. MacFarland joined Winthrop's faculty in 1949.

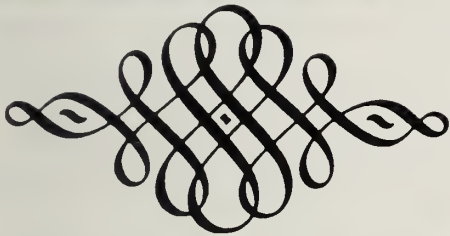

For twenty years, Mr. MacFarland coached a winning Vikings football team. In 1964, Coach MacFarland's dynasty culminated in a 8-1 season bringing the Northeast Conference title to Winthrop. On May 27, 1960, Caruso's Diplomat was filled to capacity with the hundreds of people who wished to honor Coach MacFarland's loyalty and love, the qualities which gave Coach MacFarland membership in the Massachusetts Coaches' Hall of Fame.

The 1979 yearbook staff would like to honor Mr. Edwin E. MacFarland, the classroom teacher. His room is not only filled with students each period, but is also peopled with historical voices and images. Students have actually seen Teddy Roosevelt's Roughriders scrambling up San Juan Hill sans horses, (no wonder it was such a rough ride!), "Hammy-Baby" rolling in his grave every time the stock market plummeted, and heard endless conversations between Joe Bananas and Abacrombie Fuffufnick on the state of the union.

This 1979 yearbook is but a small token of appreciation from the students of Winthrop to a great coach, teacher and man. Mr. MacFarland, with love, respect and admiration, we wish you much happiness for your next thirty years at Winthrop High.

Bully-Bully, Mr. Macfarland!

Monique Nahabedian,  
Chrissy McFarland, and the entire Echo staff

John Domenico, principal

Matthew Boyle, asst. principal

To the Class of 1979:

Congratulations and best wishes to you on your graduation from Winthrop High School. You have already discovered that school is a microcosm of society. It has presented various experiences and challenges in the form of academic endeavors, extra-curricular activities and personality adjustments as you dealt with classmates, teachers and administrators. This "world in miniature" should not be considered the final step in your over-all development. Hopefully, it has provided some building blocks upon which you can construct a workable plan to further your successful development in the areas of academic pursuits, employment skills and social awareness.

May all of you enjoy success, health and happiness in your future endeavors.

Sincerely,

*John A. Domenico*

# IN MEMORIUM DAVID CHARLES CARTER

With you a part of me hath passed away,  
For in the peopled forest of my mind  
A tree made leafless by this wintry wind  
Shall never don again its green array.  
Chapel and fireside, country road and barn  
Have something of their friendliness resigned;  
Another, if I would, I could not find,  
And I am grown much older in a day.  
But yet I treasure in my memory  
Your gift of charity, and young heart's ease,  
And the dear honor of your amity;  
For these once mine, my life is rich with these.  
And I scarce know which part may greater be—  
What I keep of you, or you rob' of me.

— George Santayana
